

## Optimize Transaction Efficiency with the Open Supplier Network® (OSN).

Maximize your business potential with the preferred, independent supplier network of the Global 1000. Through Perfect Commerce's Open Supplier Network (OSN), buyers and sellers utilize a single, secure connection to easily interact and optimize transaction efficiency.

### The OSN Ensures Your Success.

With the OSN you'll eliminate costly point-to-point connections, integrate seamlessly with any Enterprise Resource Planning (ERP) system, and offer suppliers full-service adoption and automated self-registration.

- ✓ 1.3 Million Users
- ✓ 500,000 Suppliers
- ✓ 100 Countries, 12 Languages
- ✓ 650 Million Catalog SKUs
- ✓ \$24 Billion Annual Network Spend

The OSN is your simple, cost-effective solution—providing a secure, automated, on-demand environment. Enabling companies around the globe to quickly and easily interact, the OSN innately enhances business-to-business productivity.

**Supplier Network Information Portal (SIP) Landing Page:** The OSN offers buyers and sellers a single, secure, automated, on-demand environment that optimizes transaction efficiency around the globe.

### Seamless Integration. Anticipate the Results.

Leverage the OSN to quickly automate transactions, increase efficiency and drive cost savings. Suppliers easily integrate electronic orders between buyers and their back-end systems.

- ✓ Simplified Connectivity
- ✓ Reduced Purchasing Complexity
- ✓ Easy Integration with Any Procurement System
- ✓ Reduced Transaction Costs
- ✓ Faster Adoption with Supplier Self-Registration

Automated supplier self-registration allows suppliers to register with the network, quickly and easily, resulting in a more extensive network of qualified suppliers and a greater competitive advantage for buyers.

Experience **simplified connectivity** throughout the entire Spend Management Lifecycle. A single connection links any purchasing or eProcurement system to the OSN. Buyers and suppliers transact on the network using a web browser, email or any XML-based or EDI technology.

## Reduce Complexity, Utilize Our Dynamic Portal.

Engage your extensive network of qualified suppliers to easily reduce spend, while minimizing risk. Suppliers have access to our dynamic portal and best-in-class applications without the usual, complex technical requirements. Suppliers appreciate the OSN's convenient, self-sufficient operation.

- ✓ Receive POs/COs and Respond (POR/ASN) to All Connected Buyer Accounts
- ✓ "Flip" POs Received in Supply Order into Electronic Invoices
- ✓ Easy-to-Use Content Processing for Loading and Managing Catalog Content

## Employ Perfect's Spend Management Solutions through the OSN.

Want to revolutionize your sourcing and procurement business? Capitalize on Perfect's full suite of strategic spend management solutions while utilizing the Open Supplier Network. Each innovative module works well on its own, together with other modules in the Perfect solution suite, or integrated with your ERP or third party solutions. Our flexible, easy-to-use solutions deliver bottom-line savings to businesses of all sizes, in any industry—further supporting the OSN's value to your company and the businesses you work with every day.

### About the Perfect Commerce Team.

Since 1994, Perfect Commerce has been automating spend management initiatives—offering world-class sourcing and procurement solutions to the enterprise and public market sectors. Globally, we serve more than 300 businesses, most in the Fortune 500, providing a true end-to-end platform that helps rein in excessive spend, simplify global interaction and optimize transaction efficiency. Our proven, reliable suite of software and services solve even the most complex industry challenges—throughout the spend lifecycle.
